

September 19, 2016

Dear Friend,

We are hoping you'll help us out! This little guy's name is Flat Stanley, and he loves an adventure! My class is working on a geography project and sending Flat Stanley to numerous places around the globe. We want to learn about these places and find them on a map.

If you are willing to help, feel free to have Flat Stanley enjoy his adventure with you. Take a few pictures of him enjoying himself and maybe "help him" write a note to say what he's been doing. You could also fill out his state/country form and fill his envelope with brochures, postcards and any other memorabilia about the place in which you live. We ask that you return Flat Stanley to the address below, by this date: December 1st.

Address: Olson Elementary - Ms. Blakeman
801 Redan Drive
Verona, WI 53593

You can also email any pictures to my teacher at: mblakeman@madison.k12.wi.us.
To read more about Flat Stanley and see examples of some of his adventures, visit this website: <http://www.flatstanleybooks.com>.

Enjoy your adventures with Flat Stanley!

Ms. Blakeman
