

FIRST ROBOTICS COMPETITION SCHOLARSHIP

Scholarship Description and Eligibility

Loras College supports the mission, goals and outcomes associated with FIRST Robotics. As a demonstration of this support, Loras College will award up to four (4) non-renewable scholarships of \$1,000 for the 2018-19 academic year to high school seniors who:

- Have participated on a FIRST Robotics Competition (FRC) team during their junior or senior year in high school.
- Have a high school record demonstrating academic excellence and potential. Student's high school curriculum, cumulative GPA and ACT/SAT exam score(s) will be considered.
- Intend to enroll at Loras College. Students may submit their scholarship application materials once they have been accepted to the college.

The Loras College Admission Office will review applications beginning April 1, 2018. Scholarships will be awarded on a rolling basis after this date. Students are encouraged to apply early.

For more information, please contact the Loras College Admission Office at 563.588.7236 or loras.edu.

Submission Criteria

Students who wish to be considered for this scholarship must:

- Be admitted to Loras College for Fall 2018 and enroll as a full-time undergraduate student.
- Submit an essay (up to 750 words) on the main lesson(s) you have learned through participation in FRC and how this knowledge may support your success at Loras College.
- Provide contact information for your FRC program coordinator or mentor.
- Complete the scholarship application below and submit it with your essay no later than April 1, 2018.

Scholarship Application
