Notes:

"May" graduates include graduates from the preceding August, December, and January academic terms. May 2017 includes August 2016, December 2016, January 2017, and May 2017 graduates. "Data collection" began each year in late April and continued through the following June (14 months). The table above illustrates the last known status of Loras alumni.

Data were collected through a variety of channels including, surveys, phone calls, emails, social media profiles, faculty inquiries, etc.
