

PEACE AND JUSTICE (2021-2022)

Division of Philosophical, Religious, Theological, Social & Cultural Studies

Christoffer Lammer-Heindel, Ph.D., Chair

The Peace and Justice minor challenges students to better understand the dynamics of peaceful conflict resolution at the interpersonal, local, national, and international levels, especially within the context of the Catholic tradition. The program is designed to make connections between genuine peace and a just social order, one marked by equality, liberty, dignity, security, civility, and sustainability.

Requirements for minor in Peace and Justice:

Please note – no more than 6 credits may be taken from any one program.
